Re: July Quarterly Report 2009

Identification Number: C00459255

Ms. Rebecca Hough
Senior Campaign Finance Analyst
Reports Analysis Division
Federal Elections Commission

Dear Ms. Hough,

We greatly appreciate your letter dated August 27, 2009 addressing the duplications and incomplete employer information in our July Quarterly 2009 records. We have redoubled our efforts collecting the missing donor information and implementing more stringent processes for our donor information collection.

Item 1: Collection of Donor Information

The following process is the official campaign process that our Campaign Donor Information Coordinator follows for the collection and retention of our campaign donor information:

All campaign donors, regardless of the amount donated, are to be asked for the following information: Name, Address, Employer, and Occupation.

Within 20 days all donors exceeding an aggregate of \$200.00 over the course of the election and missing required reporting information are to be sent a initial solicitation letter, with a pre-addressed postcard, or envelope, containing the following clear, and conspicuous, statement in compliance with federal statute 11 CFR 104.7(b)(1):

“Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in an election cycle;”

Note that this initial solicitation letter described in the above paragraph will not contain any language soliciting further campaign contributions in compliance with FEC rules and regulations.
